## From Our President and Executive

During this past year, Community Action, Inc. reached another turning point in the organization's 46-year history as we initiated strategic planning and a more deliberate process on how best to work with our families and communities.

Board President Richard Fetterman presents Executive Director Robert A. Cardamone with a certificate celebrating Mr. Cardamone's 35 years' service to Community Action, Inc.

The Board's planning process included developing the organization's vision and validating its mission – and the plan's foundation was built upon maintaining high organizational standards, strengthening partnerships, and increasing community involvement, transparency and accountability.

We firmly believe we are responsible to the community who determines our value and relevance based on our integrity, usefulness and outcomes.

In these very trying economic times, we remain dedicated to helping those who have a validated need and demonstrate a personal responsibility to help themselves to the best of their ability.

We are very grateful for the generosity of our partners -- local businesses, churches, community organizations, local governments, volunteers and residents and acknowledge their vital role to Community Action, Inc.'s successes.

Lastly, we praise the selflessness and dedication of our Board of Directors, volunteers and staff who do the day-to-day work of our mission and strive for our vision – they are a reflection of our community and we are very proud to live and work in a caring community.

# 2011 Self-Sufficiency Award Nominee

Promoting self-sufficiency is a critical component of Community Action, Inc.'s mission.

Kurt Smith was referred to Community Action, Inc. by PA CareerLink after losing his job. Kurt was enrolled in Community Action, Inc.'s Comprehensive Employment Support Services Project (CESSP) and Tonya was assigned as his Case Manager. Kurt identified realistic, attainable goals he desired to achieve in a short time frame; his primary goal was to locate and obtain full-time employment. Kurt did not allow his problems or the current economy to deter him from pursuing his intended career path as a truck driver. With the assistance of his Case Manager and the support of his family, Kurt took the initiative to find a job and again become employed. Kurt's Case Manager worked with him to prepare a resume and cover

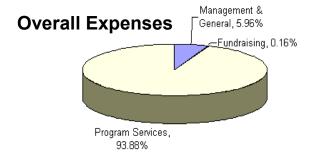

letters, complete job applications and use the CareerLink to identify available local jobs. Also, Community Action, Inc., with the help of the Jefferson County Assistance Office and Goodwill Industries, assisted Kurt with obtaining a hard hat and steel toe boots, which were required for the job he eventually obtained.

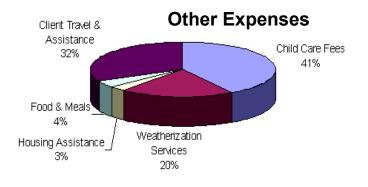

Kurt's initiative and persistence paid off and he was hired as a frac-tank truck operator earning a respectable family sustaining hourly rate and benefits. Kurt is highly confident there are no obstacles he can't overcome, especially now that he possesses the job-seeking knowledge, skills and abilities he obtained through Community Action Inc.'s CESSP Program. Kurt attributes Community Action, Inc. and his Case Manager Tonya with helping him become economically independent and create a better life for himself and his family.
