

Digital and Computer Skills Training

92% of Jobs in the United States require basic computer skills, yet 16% of American adults lack the abilities to do tasks like typing or searching for information online, despite the **financial, social, and technical benefits** it yields. If you're an adult who feels held back by their lack of digital knowledge, **Call your local CareerLink today** for more information.

Sign up for our program and learn valuable skills including:

Word Processing and Email Services

Online Job Applications and Resume Building

Effective and Safe Internet Browsing

Auxiliary Aids and Services are available upon request to individuals with disabilities
Equal Opportunity Employer/Program

Funded in whole or in part by federal funds. Details can be found:
