INDEPENDENT AUDITORS' REPORT

Board of Directors
Community Action, Inc.

We have audited the accompanying statement of financial position of Community Action, Inc. (a non-profit organization) as of June 30, 2006, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of Community Action, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; audit guidelines issued by the Pennsylvania Department of Public Welfare; and audit guidelines issued by the Pennsylvania Coalition Against Domestic Violence. Those standards and guidelines require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action, Inc. as of June 30, 2006, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 26, 2006, on our consideration of Community Action, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. The report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

INDEPENDENT AUDITORS' REPORT - continued

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Community Action, Inc. taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," and the schedules on pages 24 through 54, presented for purposes of supplemental analysis, are not required parts of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

COMMUNITY ACTION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Community Action, Inc. is a private non-profit organization established in 1965, and is the local Community Action Agency designated by the Board of Commissioners of Jefferson and Clarion Counties as the lead provider of a wide range of social services primarily for low income and disadvantaged individuals. Community Action, Inc. serves as a multi-purpose administering and service delivery entity for a number of projects. Although each of the projects administered by Community Action, Inc. is subject to specific funding source requirements and regulations, each project has a relevant purpose toward the corporate mission. Community Action, Inc.'s programs are funded by various federal, state and local grants and contracts, and private donations.

The accounting policies are the principles of accounting and the methods of applying those principles which are utilized in preparing the financial statements. The accounting policies adopted can significantly affect the reported results of the operations. To facilitate an understanding of the information presented in the financial statements, the significant accounting policies followed in the preparation of the accompanying financial statements are summarized as follows:

Income Taxes

Community Action, Inc. is a non-profit organization exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code and applicable state regulations, subject to unrelated business taxable income on net profits from information technology activities. As such, they are not classified as a private foundation.

Inventory

Inventory is stated at the lower of cost or market value. Cost is determined using the first-in, first-out method.

Property and Equipment

Property and equipment are recorded at cost, if purchased, and fair market value at date of donation, if contributed. Items purchased or contributed with a fair market value of \$500 or more are capitalized. Depreciation is computed using the straight-line method of depreciation over the assets' estimated useful lives. Donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, Community Action, Inc. reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. Community Action, Inc. reclassifies temporarily restricted net assets to unrestricted net assets at that time.

COMMUNITY ACTION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Cash and Cash Equivalents

For purposes of the statement of cash flows, Community Action, Inc. considers all highly liquid debt instruments purchased with an initial maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2006.

Allowance for Doubtful Accounts

No allowance for doubtful accounts is provided at June 30, 2006, as management believes all outstanding receivables are collectible. If collection becomes doubtful, an allowance for doubtful accounts will be established. Recoveries of previously charged off accounts are recorded when received.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position.

Investment income and realized and unrealized gains (losses) restricted by donors are reported as increases (decreases) in unrestricted net assets if the restrictions are met (either a stipulated time period or a purpose restriction is accomplished) in the reporting period in which the income and gains (losses) are recognized.

Basis of Presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor imposed restrictions. Accordingly, net assets of Community Action, Inc. and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor imposed stipulations that may or will be met either by actions of Community Action, Inc. and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor imposed stipulations that they be maintained permanently by Community Action, Inc. Generally, the donors of these assets permit Community Action, Inc. to use all or part of the income earned on related investments for general or specific purposes. There were no permanently restricted assets at June 30, 2006.

Grants, contract funding and contributions which are restricted to the use of Community Action, Inc.'s programs are reflected as unrestricted revenue when these funds are received and spent during the same year.

COMMUNITY ACTION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

NOTE G - INCOME TAXES

Community Action, Inc. is required to pay federal income taxes on profits earned by its information technology activities, an unrelated business.

Deferred income taxes reflect the estimated future tax effect of temporary differences between the amount of assets and liabilities for financial reporting purposes and such amounts as measured by tax laws and regulations. The primary component of Community Action, Inc.'s deferred tax asset of \$2,702 at June 30, 2006, is a federal net operating loss carryforward of \$18,016. A valuation allowance of \$2,702, indicates that it is probable this benefit will not be utilized in the future.

Federal net operating losses available to offset future federal taxable income expiring are as follows:

<u>June 30,</u>	
2011	\$ 1,069
2012	10,343
2014	3,048

NOTE H - THIRD PARTY REIMBURSEMENT ARRANGEMENTS

Community Action, Inc. receives substantial support from third party reimbursement arrangements. Under these third party arrangements, Community Action, Inc. is reimbursed for its actual costs of providing program services. **REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Community Action, Inc.

We have audited the financial statements of Community Action, Inc. (a non-profit organization) as of and for the year ended June 30, 2006, and have issued our report thereon dated October 26, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; audit guidelines issued by the Pennsylvania Department of Public Welfare; and guidelines issued by the Pennsylvania Coalition Against Domestic Violence.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Community Action, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS* - continued**

We noted certain other matters that we reported to management of Community Action, Inc. in a separate letter dated October 26, 2006.

This report is intended solely for the information of the audit committee, management and federal awarding agencies and pass-through entities and is not intended to be, and should not be, used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

Board of Directors
Community Action, Inc.

Compliance

We have audited the compliance of Community Action, Inc. (a non-profit organization) with the types of compliance requirements described in the U.S. Office of Management and Budget OMB *Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2006. Community Action, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Community Action, Inc.'s management. Our responsibility is to express an opinion on Community Action, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*; audit guidelines issued by the Pennsylvania Department of Public Welfare; and guidelines issued by the Pennsylvania Coalition Against Domestic Violence. Those standards, the OMB Circular A-133, and the other audit guidelines require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Community Action, Inc.'s compliance with those requirements.

In our opinion, Community Action, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2006.

**REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133 - continued**

Internal Control over Compliance

The management of Community Action, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Community Action, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the audit committee, management and federal awarding agencies and pass-through entities and is not intended to be, and should not be, used by anyone other than these specified parties.
